OFFICE OF SOCIAL ACTION

1. CRS Rice Bowl

“Lent is the favorable season for renewing our encounter with Christ, living in his word, in the sacraments and in our neighbor.”- Pope Francis.

Through **prayer**, we encounter Christ in our lives and in every member of our human family. Through **fasting**, we encounter the obstacles that keep us from loving God and neighbor. Through **almsgiving**, we encounter God’s love, and share it with our brothers and sisters in need. This year’s Rice Bowl theme is, “Encounter Lent: Companions on the Journey. CRS invites you, your family and community to journey alongside the Good Samaritan, to reflect on the question: Who is my neighbor? So many of our neighbors are on the move: migrants, refugees, internally displaced persons, travelers. The Good Samaritan- a traveler himself, one on the move, shows us what it means to encounter the stranger, to accompany one in need and become a companion on the journey. The CRS Rice Bowl grant application can be found in the attachment section of this edition of the Communique. The deadline is **May 1, 2018**. If you need more information, please contact Adrienne Curry, Social Action Director at 330/744-8451 or acurry@youngstowndiocese.org.

2. Creation Care Teams (CCT)

Whether it is a group from your parish, workplace or school your CCT will work to make a difference, create more sustainable facilities, and advocate for faith-informed climate policies. CCT will help transform your community and become, in Pope Francis’ words, “protectors of God’s gifts. How to create a CCT team can be found in the attachments. The steps are simple, for more information contact Adrienne Curry at 330/744-8451, ext. 327 or acurry@youngstowndiocese.org.

3. Earth Day: April 22, 2018

Since it’s beginning in 1970, the celebration of Earth Day has been held in over 190 countries by millions of people. This year’s Earth Day theme is “A World Without Plastic Pollution.” Pope Francis mentioned the problem of plastic pollution in his encyclical, *Laudato Si: On Care for Our Common Home*, challenging us to limit our own personal use of all plastics and to advocate for systems and structures that limit plastic production.

Additional information on how your parish can get involved can be found in the attachments. For more information, please contact Adrienne Curry, Social Action Director at 330/744-8451 or acurry@youngstowndiocese.org. We would like to know how you celebrated Earth Day.

Church, Faith, Future: What We Face, What We Can Do. Cameli, Louis J. Liturgical Press, 2017. In this challenging but hopeful new book, *Church, Faith, Future: What We Face, What We Can Do*, Fr. Louis J. Cameli renders a carefully composed portrait of the church in North America today. Drawing on philosophy, history, cultural analysis, and sociology, he offers a sobering picture of where church and faith stand in our society and where they seem to be headed. Identifying several possible ways forward, Fr. Cameli points out the way he sees as the most promising and most faithful to Catholic tradition. In a fascinating afterword to the book, Cardinal Blase Cupich enters into dialogue with Fr. Cameli's thinking, describing how the Archdiocese of Chicago has begun to address the issues and the directions indicated.

Fruitful Discipleship: Living the Mission of Jesus in the Church. Weddell, Sherry A. Our Sunday Visitor, 2017. As faith-filled Catholics, we are called to go out and spread the good news of the Gospel, build up the Church, and fuel its mission. We are supernaturally empowered by God to do this through the charisms we receive at Baptism. Learn about each charism, what they are, and how discipleship unleashes these powerful gifts to produce fruit that lasts.

Guide for Celebrating First Communion. Jo-Ann Metzdorff and Paul Turner. Liturgy Training Publications, 2015. Presents a collaborative and liturgically appropriate approach for preparing Masses in which children are receiving Communion for the first time. Combining a theological and historical overview with practical advice, this guide may be used by pastors, liturgists, music directors, directors of religious education, catechists, and worship commissions to help foster the participation of children and bring them to full communion at the table of the Lord.

Living Prayer: A Simple Guide to Everyday Enlightenment. Morneau, Robert F. Franciscan Media, 2015. Drawing on years of pastoral experience, Morneau offers basic principles for prayer, habits of prayerful people, a practical approach to prayer, and advice about overcoming obstacles. Includes the Our Father, Beatitudes, and Eucharist and how they call us to a more prayerful life.

Rediscovering the Art of Dying: How Jesus' Experience and Our Stories Reveal a New Vision of Compassionate Care. Kenny, Nuala. Twenty Third Publications, 2017. Drawing on the passion of Christ, Sr. Nuala Kenny reflects on the inevitable questions we all face regarding health, illness, suffering, and dying. She provides a profound spiritual and biblical reflection by linking Jesus' own experience of suffering and death with real-life stories about patients in today's world. This book is for anyone undergoing or reflecting on illness, suffering, and dying. It is also for families and friends who accompany the sick, dependent, and dying, and for caregivers who accompany them. It is sure to guide attitudes, practical decisions, and actions that are central concerns in serious illness and dying, while clearing up misunderstandings that often accompany periods of stress.
