

Love, Sexuality, Family & Culture:

50 Years after *Humanae Vitae* (On Human Life by Paul VI)

Keynote Address:

Love Mystical and Mundane: *Humanae Vitae* into the 21st Century

Dr. Donald Wallenfang, Ph.D., Associate Professor of Theology, Walsh University, North Canton

Break-Out Sessions — 2:45 pm:

- My NFP Journey and Responsible Parenthood

Ellie Chamblee, R.N.

Insights from those who embrace the challenge of the Church's teaching on Natural Family Planning.

- Who Am I? Sexual Identity and Judeo-Christian Anthropology

Dr. Donald Wallenfang, Ph.D.

Exploring the formation of sexual identity through cultural factors in conversation with Catholic teaching.

Break-Out Sessions — 3:50 pm:

- Dealing with Infertility and other GYN Problems in a Natural Way

Naprotechnology is a new total woman's health science, which began with Natural Family Planning and is used to diagnose and treat the roots of gynecologic problems, not merely symptoms, to the great satisfaction of thousands of women worldwide and has resulted in the existence of myriads of children to thousands of couples otherwise thought to be infertile.

- Male & Female He Created Them

Fr. Shawn Conoboy, S.T.L.

The Biblical foundations of sexual complementarity.

HUMANAE VITAE
50th Anniversary

"The transmission of human life is a most serious role in which married people collaborate freely and responsibly with God the Creator. It has always been a source of great joy to them, even though it sometimes entails many difficulties and hardships."
-Pope Paul VI (HV 1)
