Parish goals for the 2022 Annual Diocesan Appeal were calculated based on the total offertory income for each parish for the 2020-2021 fiscal year. (1) With this information, the grand total of offertory collection income of all parishes was calculated. (2) Using this total, a percentage for each parish was determined based on that parish's portion of offertory collection income relative to the grand total of offertory income for all parishes. (3) This percentage was then applied to the diocesan goal of \$4 million to determine each parish's share of the diocesan goal.
