David J. Bonnar

By the Grace of God and the Apostolic See

BISHOP OF YOUNGSTOWN

DECREE

Whereas "individual bishops who have been entrusted with the care of a particular church – under the authority of the supreme pontiff – feed their sheep in the name of the Lord as their own, ordinary, and immediate pastors, performing for them the office of teaching, sanctifying, and governing" (cf. Vatican II, Decree on the pastoral office of Bishops in the Church *Christus Dominus*, October 28, 1965, n. 11);

Whereas where grave causes suggest that a church no longer be used for divine worship, the diocesan bishop, after having heard the presbyteral council, can relegate it to profane but not sordid use, with the consent of those who legitimately claim rights for themselves in the church and provided that the goods of souls suffers no detriment hereby (c. 1222, §2);

Whereas the diocesan bishop has the duty to exercise careful vigilance over the administration of all the goods which belong to public juridic persons subject to him (c. 1276, §1), and whereas the diocesan bishop, in the administration of goods, concerns himself first of all with providing for divine worship, charity, the apostolate and the support of the clergy, these ends always being given precedence over all others (Congregation for Bishops, *Directory for the Pastoral Ministry of Bishops "Apostolorum Successores"*, February 22, 2004, n. 188);

Whereas by decree of November 28, 2021, Saint Mary Parish and Saint John Paul II Parish were merged and whereas the newly merged parish was given the name of Saint Mary and Saint Joseph Parish on December 18, 2021. The church building will retain the name of Saint Joseph given at the time of dedication in accord with canon 1218.

Whereas, through proper discernment process, based upon numbers, in particular financial matters, it has become clear to the community that maintaining the church building is not viable.

Whereas Saint Joseph church is exposed to vandalism and theft in what has become over the years an unsafe and risky neighborhood. This also burdens the new parish with a heavy debt to maintain an empty, underutilized building with no foreseeable productive use.

Whereas the church building not being used is a potential target for trespassers with potential criminal and/or unsavory plans, which requires the new parish to fund the necessary security measures to protect not only the church building, but also the surrounding neighborhood and the church's reputation.

Whereas Father Frantisek Katrinak, Pastor of Saint Mary and Saint Joseph Parish, has requested to relegate Saint Joseph church, Warren Ohio, to profane but not sordid use;

Whereas the gravity of the reason results from the sum of the circumstances which show that the reason is of great importance in the concrete case (cf. Nicholas Schöch, "Relegation of Churches to Profane Use (c. 1222, §2): Reasons and Procedure," *The Jurist* 67 [2007] 491).

Whereas we have abundantly established that grave reasons required by canon 1222, §2 are present, even if some of the reasons invoked may not by themselves constitute a grave cause, they do so when taken together;

After having heard the presbyteral council on March 1, 2022, and, after having exposed the motives for the relegation of the church, the presbyteral council gave a favorable advice for the relegation of the church of Saint Joseph church Warren Ohio.

After a careful examination, it was established that nobody could legitimately claim rights for themselves in the church, understood primarily as patrimonial rights or rights associated with patrimonial rights (cf. Supreme Tribunal of the Apostolic Signatura, Final Decree of the College of Judges, 21 November 1988, *Communicationes* 20 [1988] 93: "Iura de quibus sermo fit in canone sunt praesertim iura patrimonialia vel eis assimilata, quae magna ex parte e fundatione vel aedificatione ecclesiae exsurgunt."), rights that are not presumed, but must be proven (Supreme Tribunal of the Apostolic Signatura, Decree of the Congresso, 5 May 1995: "Iura, de quibus sermo, non praesumuntur, sed de eorum concessione vel admissione ex parte competentis auctoritatis ecclesiasticae legitime constare debet." and "Non demonstratur haberi personas quae vera iura in ecclesia e. sibi legitime vindicant.");

Therefore, I, the undersigned Bishop of Youngstown, Ohio, after prayerful consideration, have decided as follows:

DECREE

1. The Saint Joseph church in Warren, Ohio, is hereby reduced to profane but not sordid use according to the prescripts of canon 1222, §2.
2. The pastor is herewith authorized to start any negotiations that may lead to the sale of the property, notwithstanding the need to follow the proper procedures when it comes to effectively alienate the property.

3. Prior to alienation, all sacred objects, relics, sacred furnishings, stained-glass windows, bells, confessionals, altars, etc. are to be removed for use in other sacred edifices or to be stored in ecclesiastical custody. In case the altars cannot be removed, they must be destroyed (cf. cc. 1212 and 1238).

This decree will become effective on the date of the alienation of the property.

All those who claim to have been aggrieved by this decree are herewith notified that, if they desire to file recourse against our decree, they are required, *ad validitatem*, to submit a petition in the sense of canon 1734, §1 to us within ten useful days from the legitimate notification of this decree.

Given at Youngstown, Ohio, this 17th. day of March 2022.
