What people are saying about the Engaged Couple Retreat Day

“I really enjoyed the program. It gave me a better understanding about marriage in the Catholic Church.”

“This retreat truly made us think about what is important in our life, and helped to bring us even closer together.”

“I found you start realizing more about marriage than just the ‘caught up in the moment details.’ I didn’t focus too much on what was to happen after ‘The Big Day.’ Now I have some thinking to do. Thanks for all the information!”

Why attend an Engaged Couple Retreat?

The Engaged Couple Retreat is a day-long marriage preparation workshop designed to assist engaged couples in preparing for their life-long vocation of marriage. It is a day to study, review, and learn the truth, beauty and joy of God's plan for marriage. There will be time for couples to focus on their relationship with each other, with Christ, and with His Church.

The retreat day consists of a series of short presentations providing basic instruction in the nature of the Sacrament of Marriage - its essential elements, marriage as a Christian vocation, as well as couple discussion and prayer. In addition, couples will receive a clear understanding of Christian sexuality and the role that God desires to play in marriage and family life.
