CATHOLIC COLLEGIATE ASSOCIATION
PURPOSE: In April 1927, six women with bachelor's degrees met to organize and altruistic culture group for Catholic women with degrees. Their aim is to further the interest of Catholic education, promote friendly relations between Catholic and non-Catholic groups, aid the present Catholic welfare societies and develop a spirit of friendliness within its own group. Today Catholic Collegiate, with approximately 100 members, is still enthusiastically working to provide scholarships for young women in our community and to further our Christian Catholic ideals.
